Institute . Iran. Tehran . Tehran

OCT 2018

I restored 42 Instagram accounts before

Security of 28 reputable Iranian sites

University degree in Internet and Wide Networks from Iran University of Information

I held 17 workshops

I held 10 seminar

I held 8 webinar

I wrote a book in the field of computer networks

It took me about a year to write this book, which is very valuable to me, so I spent a lot of time publishing it correctly and practically.

This book was published in 2021

I have created a site based on general information about security and holding workshops, seminars, webinars so that people can easily solve their problems by reading on the site.
